## Mission Statements Chapter

*"EAA Chapter 113's major focus is on the relationships with people who have diverse aviation interests, centered around their love of flight, fellowship, learning and fun. Chapter members have a passion for flying and are willing to share it with others. Chapter 113 provides the opportunity for exchange of information as well as the interaction that leads to friendships that last a lifetime."*

## Board

*"The Board of Directors are to provide both advice and assistance to the chapter officers on an ongoing basis."*

## President's Podium

January 2008

Happy New Year to all! I want to wish everyone a prosperous year, health, good friends, and tailwinds wherever you go.

In this newsletter, you will find a copy of the *Chapter Interest Survey* and an article explaining its purpose. This is important to the Chapters future. Please take the time to complete and return it.

Also attached is information on the *Chapter 113 Experimental Aircraft Association Aviation Studies 2008 Scholarships*. Applications have been distributed to local schools and colleges; however, chapter members may also sponsor anyone outside of the local school districts.

The Chapters Annual Awards Banquet will be held on Saturday, March 15th. Save the date and invite your family and friends to join us for an entertaining evening. Details to follow.

Dave Buck

## Calendar of Events

### Sun-n-Fun

April 8-13, 2008 in Lakeland, Florida

### Friday Night at the Movies

See you on the first Friday of the month at 7:30 PM. Check the website for details.

### Saturday Morning Breakfast

Every Saturday 8:30am at the Coney Island on Lilley Rd. across the street from Mettetal airport.

### This Months Guest Speaker

Our speaker for the January meeting will be Dr. Greg Pinnell, M.D. Dr. Pinnell is a Senior AME from Saginaw and a Medical officer for the 434th Air Refueling Group at Grissom Air Reserve Base. He is also a member of the EAA Air Medical Advisory Board. Dr. Pinnell is an interesting and informative speaker, especially for those having questions regarding their medical flight status.

## CHAPTER 113 EXPERIMENTAL AIRCRAFT ASSOCIATION AVIATION STUDIES 2008 SCHOLARSHIPS

The Experimental Aircraft Association's (EAA) Chapter 113 located at Plymouth-Canton's Mettetal Airport is once again offering scholarships to local graduating high school seniors, college students and students at the Michigan Institute of Aviation and Technology who are or will be enrolled in an aviation major curriculum. For 2008, two, one thousand dollar (\$1000) scholarships have been approved by the Chapter's Board of Directors.

Recognizing the EAA's primary interest in promoting sport aviation, the applicant eligibility criteria again includes high school graduates twenty-five years old or younger as of April 4, 2008 regardless of their course of post high school studies who are active flight students at an approved flight training facility and who have completed their first solo flight. The money if so awarded would be directed specifically at the continuation of the scholarship recipient's flight training.

In its twenty-first year, the EAA Chapter 113 scholarship program has disbursed approximately eighteen thousand five hundred (\$18,500) to thirty-five individual scholarship winners since the first awards were made in 1987. This is great testimony to the Chapter's dedication to the promotion of sport aviation and aviation careers among local area young adults.

Those wishing to apply for one of the scholarships should contact their respective school's scholarship office in early 2008. Applications will also be available in the Mettetal Airport lobby or through Chapter members.

Applications must be post-marked no later than April 4, 2008.

CHAPTER 113 EXPERIMENTAL AIRCRAFT ASSOCIATION  
2008 AVIATION STUDIES SCHOLARSHIP

# ***CHAPTER 113 MEMBER SPONSOR APPLICATION***

Two one thousand dollar (\$1000.00) scholarships will be awarded by Chapter 113 to graduating seniors from the Plymouth, Canton, Salem, Livonia, Northville, Novi and Wayne-Westland area high schools and students enrolled in the Michigan Institute of Aviation and Technology. **Graduating seniors from other local area high schools as well as students already participating in a post high school curriculum are eligible when sponsored by a current member of EAA Chapter 113.** Minimum qualifications are: 3.0 G.P.A., admission to a college, university, or trade school majoring in aviation related studies such as Aeronautical Engineering, Aircraft Mechanics/Technology, Pilot Training, etc. **Additionally, the scholarships are being offered to area high school graduates twenty-five years of age or younger as of April 4, 2008, who though not enrolled in a post high school aviation curriculum, are currently active flight students in an approved flight school and have completed their first solo flight. These monies would be directed specifically at the continuation of this flight training.**

PLEASE NOTE: Under certain circumstances, some exceptions to the above qualifications may be considered by the Chapter's Board of Directors.

Please submit the following information to the EAA 113 Scholarship Chairman at the address listed below **post marked no later than April 4, 2008.** Pending final selection, the top four candidates from all sources will be contacted by phone by the Scholarship Chairman, Howard Rundell for a short interview. Selection and notification of the successful candidates will be made before the end of May 2008.
