Mission Statements Chapter

“EAA Chapter 113’s major focus is on the relationships with people who have diverse aviation interests, centered around their love of flight, fellowship, learning and fun. Chapter members have a passion for flying and are willing to share it with others. Chapter 113 provides the opportunity for exchange of information as well as the interaction that leads to friendships that last a lifetime.”

Board

“The Board of Directors are to provide both advice and assistance to the chapter officers on an ongoing basis.”

Project started by Paul Poberezny himself. Included is the plans, welded fuselage, wings, tail surfaces, landing gear legs, wings struts. Contact Mike Betti EAA Chapter 439 for further information. (906) 779-1368

He's Back!

Frank keeping it straight and level.

Frank Bitonti made a showing after being released from the Hospital. It is good to have you back Frank!

Notice:

EAA Chapter 113 is hosting No Limit Texas Hold'em at Northville Downs Sept 13-15

HANGAR SPACE AVAILABLE!!

There is room for at least one aircraft to rent room in our heated Chapter Hangar. Where else on airport can you have access to heat, air, bathrooms, and a kitchen!!

Contact the chapter building committee for more details.

Thanks to Tom Smith and Shunsuke Shibata for the photos they contributed of the Pancake breakfast. This is a good representation of the support we receive from the community for this event.

President's *Podium*

Tom Smith (734) 748-7940
tgsmith398@comcast.net

Our annual Father's Day breakfast was this past weekend, and the weather was perfect. There was a great crowd all morning long, and we served about 1,000 of our best friends. There was also a good number of fly-ins as well, including a Howard DGA. I would like to thank everyone that was there for the great job they did to make the breakfast such a success.

I was also honored to have able to present our chapter scholarships to Annika Bergmans and Dan Darga. Annika is a Plymouth High School graduate, currently attending Western Michigan as a junior, and Dan is a Northville High graduate, starting at Western this fall. Congratulations to both.

This year marks the twenty third anniversary of the Chapter 113 Aviation Studies Scholarship Program. To date, we have contributed over \$25,000 to this program.

Thanks to the efforts of Mike Scovel, we are able to send Matt Forry to the EAA Air Academy. We are also using the chapter Young Eagle credits to send Jared Bonney there as well. I am sure that they will enjoy themselves while they are learning.

Airventure is swiftly approaching- July 26 to August 1. As a reminder, the new daily meeting place is at the Vintage Barn at 1:00 CDT. And don't forget the traditional spaghetti dinner at Jim and Nancy Trick's camper. See Jim Trick for details.

The FCC has announced that it will prohibit the sale or use of the 121.5 MHz ELT's in August. This ruling will effectively ground anyone who has not upgraded to the new 406 models. This is in conflict with the FAA, which still allows their use in aircraft. We will have to see if this ruling will remain, or if a reasonable timetable for the change can be reached.

Tom
